

This form may be used to report under section 3 of the *Public Sector Compensation Transparency Act* of the necessary disclosure under that section:

3. Before July 1 of each year the minister shall disclose the following information with respect to each employee of government whose total compensation during the previous year was greater than the threshold:

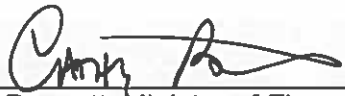

(a) the name of the employee;

(b) the title of the position the employee held on December 31 of the previous year, or where the employee discontinued employment with government during the year, the title of the position the employee held at the time he or she discontinued employment;

(c) the department in which the employee was employed on December 31 of the previous year, or, where the employee discontinued employment with government during the year, the department in which the employee was employed at the time he or she discontinued employment; and

(d) the amount of total compensation paid to the employee.

To the best of my knowledge and belief the attached is the listing of the employees of the Government of Newfoundland and Labrador who received total compensation of more than \$100,000 in 2016, reported in accordance with the Act and Regulations.
