***2. Other Increases**

On the dates set out below the accompanying formula will be used to produce Step 1 of a new pay grid and as in 1(a) above, the subsequent three Steps will be maintained at 3.33% above the preceding one.

- a. Effective June 1, 2009: 4% increase - $\$66.88 \times \text{points} + \$21,300$
- b. Effective June 1, 2010: 4% increase - $\$69.55 \times \text{points} + \$22,152$

Dear Mr. King:

RE: Commission Policy on the use of Video Display Terminal (VDT's)

As you are aware, the Workplace Health, Safety and Compensation Commission introduced its own internal policy concerning operations of video display terminals (VDT's). While there is no scientific evidence to date to support any pregnancy or visual related health hazards resulting from the use of a properly functioning VDT, the Commission adopted its own policy guidelines until such time as it has been documented conclusively that there is no risk.

With the assistance of expert medical personnel, the Commission has been, and will continue to evaluate all information and study results relating to the use of VDT's for the purpose of identifying the need for any appropriate changes which should be made to its policy.

In this respect, I wish to confirm our undertaking that, in the event the Commission contemplates making a change to the existing policy, such change(s) will be discussed with the Union beforehand.

Yours truly,

LESLIE GALWAY
Chief Executive Officer
