

Are you

interested in leadership development?

viewed as a leader with or without a title?

seeking a refresher on your leadership skills?

Principles and Qualities of Genuine Leadership

Everyone in the organization needs a sound knowledge of leadership best practices and support in tailoring those practices to their own situations. This interactive workshop outlines universal leadership principles and qualities that support employees at all levels of the organization in meeting their goals.

Centre for Learning and Development

1/2 Day Workshop

You will be able to:

- Identify leadership qualities that contribute to organizational and personal success.
- Discuss principles that help leaders to develop effective working relationships.
- Apply the leadership principles and qualities to their individual situations.

To access learning:

If you are interested in attending this workshop:

- Discuss the content with your immediate supervisor.
- Complete a **registration form** (if recommended through a Learning Plan, a registration form is not required).

Priority will be given to those who identify Leadership as a learning need in their individual learning plan.
